

**Our Mission:**

The Esther House will be a safe heaven for women who are pregnant and have limited options or resources. We welcome women who find themselves alone and in need of spiritual, physical, emotional, and maternal support. Esther house offers mothers to be the opportunity to grow in self-respect and independence while celebrating the life that they have been blessed with inside of them. As a pro-life home, Esther House staff will aide these women in exploring all options of motherhood through parenting or adoption as well as teaching them basic life skills. Esther House offers hope in aiding these women in building a relationship with Jesus and transforming their lives. We aim to teach these women to thrive rather than just survive. Esther House is a 501©(3) non-profit organization. All donations are tax deductible.
